

Hello, I'm

Carrie Cochran

INFLUENCER AND UGC CREATOR

Let's work together!

I am a freelance copywriter and content creator with a professional writing degree and DSLR photography training. I use these combined skills to create great content for my clients and partners in writing and visual formats.

Whether you need a well-written blog post or pictures and videos of your latest and greatest products, I'll provide you with professional, authentic content that speaks to your target audience.

Some Brands I've Worked With:
